

THE UNION.

BRIDGEPORT, MAY 28, 1881.

JOE FRANKLIN.—Job printing of the finest description will be furnished at this office at Sacramento prices.

LOCAL INTELLIGENCE.

THE CHINESE.—The Bodie Railway and Lumber Co., innocently supposing that it had a right, in common with others, to employ whom it thought proper, set about fifty Chinamen grading near Mono Lake, a portion not over-involving as a field for the labor of white men; and, also, set white men at work at the Bodie terminus. But it appears there are men in Bodie who deny the right to employ others than their kind. We are opposed to mongolian labor as much as those men, and also to those who combine to drive men from honest toil. Not one of them would pay one dollar per week to a white woman for washing, if a Chinaman would do the work for 50 cents, yet they would force others to. For the purpose of preventing the employment of other than white labor, a meeting was held in Bodie, and a Committee of about fifty appointed to proceed to Mono Lake and drive the Chinamen off. On Wednesday it went to the lake, but found that the laborers had been removed to one of the islands, the Company using the steamer and barges for that purpose, and there they are "happy and content," idly, under pay and well-provisioned, watching the starving enemy on the main land—about thirty miles from base of doubtful supplies. In this case the Railroad Company is master of the field. The Committee will return to Bodie footsore and hungry, and the Chinamen will resume work. Sheriff Showers was ready to promptly act in case of necessity.

ANOTHER PAPER.—We learn that the press and material on which the late Mammoth Herald was printed are en route for Bodie, and that Barnes will publish a paper there. If this is the case, it will be an imposition upon the people of that town, and its citizens, in justice to themselves and our deserving cotemporaries, should discountenance it, as there is only room for one, and that they have, and a good one is it! In saying "imposition," we do not apply to the reading public, because the aid from that source is but a drop in the bucket; but is particularly to advertisers—the mainstay and backbone of newspapers. It is an imposition to tax them to support two papers, and we much mistake their temper if they submit to it. They are down to cash prices and rigid economy. Not only is there not enough business advertising in that town for the proper support of one paper, but Bodie is one of the most expensive towns in the United States in which to publish a journal.

MAIL MATTERS.—It appears that Postal Agent McCusick must have consulted the wishes and interests of the mail contractors instead of the public, when he altered the schedule from 9 A. M. to 5 A. M., for departure from Bodie, and from 9 A. M. to 1 P. M. from Bridgeport. By this arrangement Cluggage & Co. dispense with an extra team, driver and stage. But the Government and people are the losers. Before the change, the Carson mail arrived at Bodie two hours before the mail for Bridgeport closed; now it is two hours after, and is delayed twenty-two hours. Before the change, the Bridgeport mail arrived at Bodie three hours before the Carson mail closed; now it is a half-hour too late, and remains over 23½ hours. How McCusick could make such a stupid change is beyond our comprehension. Is it a wonder that postal officials and mail contractors are odious? We presume this is one of the far-famed "routes"—big pay, slow time and no accommodation.

SURETIES.—The Supreme Court having affirmed the Superior Court judgment in the Showers-Taylor case, Sheriff James Showers assumed the duties of the office on Monday afternoon. The following are his appointments: J. W. Towle, Under Sheriff; George W. Sproule, Deputy and Jailor; at Bridgeport; A. J. Showers, Deputy and Jailor; at Bodie; S. W. Moore, of Bodie; S. L. McNaughton, of Benton; R. Fraser, of Mammoth; and Henry A. Pitts, of Antelope; Deputies.

GRADING.—To-day A. J. Severo commenced grading the front portion of Court House Block, and intends to make a creditable job of it by Wednesday next. Thus gradually are the surroundings getting in good shape.

SCHOOL ELECTION.—On Saturday next, between the hours of 7 and 9 o'clock P. M., at the School House, an election will be held for two School Trustees, in place of J. C. Murphy and Wm. O. Parker, terms expired.

ANTELOPE VALLEY.—The crops in this valley are in the best of condition, and the prospects of a large excess of the average yield are good. The principal crops will be barley and potatoes.

FOR INFO.—Hon. P. Reddy, Paul W. Bennett and Charles E. Berry will shortly depart for Inyo county on professional business.

PERSONAL.—This week we had the pleasure of calls from Hon. T. P. Ryan and wife, of Bodie; Judge Poe, John Hoppe and D. M. Barnett, of Antelope Valley.

A. B. Stewart, Druggist, Bodie, has received a large stock of garden, flower and field seeds.

A PLEA OF MANSLAUGHTER ACCEPTED.—On Wednesday afternoon, at 1:30, Job Draper, under indictment for the murder of his wife, was taken before Judge Wiggin, when his appointed counsel, Thos. P. Ryan, informed the Court that the defendant was willing to withdraw his plea of not guilty of murder, and would plead guilty of manslaughter. Judge Wiggin asked the prisoner if he wished to withdraw his former plea, and plead "guilty of manslaughter?" The prisoner did not appear to comprehend the question, and he walked up to the Judge's stand, when the Judge repeated the question. Draper replied that it was probably the best thing he could do under the circumstances. The Clerk was directed to enter the plea, and the prisoner was remanded, to appear at 3 o'clock for his sentence. At 3 o'clock Draper was again brought up. Mr. Ryan briefly addressed the Court, asking it to be lenient; that he was confident that no jury would convict him of murder if the case should go to trial, as he was satisfied that Draper was demented and not responsible. Judge Wiggin asked the prisoner if he had anything to say why sentence should not be pronounced. He said that he did not know that he had, whereupon the Judge sentenced him to imprisonment in the State Prison for four years and six months. The prisoner was then remanded. And thus ended another chapter of the criminal record of Mono county. The sentence was a surprise to our people, as it was thought he would be given the extreme limit—ten years. Judge Wiggin thinks the man is demented and will be insane before his term of imprisonment expires. We cannot but believe that no man deserves hanging more than Job Draper—particularly if he was engaged in the Mountain Meadow massacre, as is asserted; but, perhaps, in view of the experience we have had in murder cases in this county, the outcome of this case is better than the "oldest inhabitant" could hope for.

FATAL ACCIDENT.—On Sunday, the 15th, Christian Telge, a farmer in Antelope Valley, was killed by his runaway team. He had been to Coleville and had been drinking, and it is surmised that on his return home he was not in a condition to manage his team, and that in descending the pitch near Shaw's house—having no brakes to his wagon—his horses became frightened and ran away with him, and that he got his feet caught in the cross-roads at the tail end of the wagon and fell out backward, and was thus dragged a long distance, the team being stopped at the blacksmith's, near the mouth of the canon. The clothing of the unfortunate man had been stripped from him, and his back and head were fearfully lacerated, the team having diverged from the road and dragged him over the rocks and through the sagebrush. The deceased was a hard-working German, and generally liked by his acquaintances. He was 47 years of age, and formerly resided in Inyo Valley, Amador county, where he had a fine vineyard and wine cellar, but reverse of fortune came, and recently he located and was clearing a piece of land in Antelope canon. His funeral took place on Monday, the 16th, and was generally attended by citizens of the Valley.

SCENE IN COURT.—LEGAL FEE.—A case in Judge Wiggin's Court this week excited considerable interest and amusement. An attorney—not of Bodie or of Bridgeport—asked the Court to allow him certain fees amounting to \$1,000 as an offset to an account upon which he had been sued. The Judge questioned him closely in regard to the matter. "What advice did you give?" the Judge asked. "I settled a dispute between him (the plaintiff) and Mr. —." "What was your fee?" "\$1,000." "Any more?" "Yes. I settled a dispute between him and Mr. —." "What was your fee?" "\$500." "Any more?" "Yes. I advised him to marry and settle down." "What was your fee?" "\$100." The "dispute" were not of a pecuniary character, but personal, and were amicably arranged by their neighbors, the attorney being one. Judge Wiggin rendered judgment for plaintiff for the full amount asked for, and in doing so said that "It was the most cold-blooded attempt to defraud and prevent a foreclosure of an honest mortgage he ever heard of in all his life."

SMOKE AT.—Our townsmen—Elisha Gurney and James Laraway, were twice shot at by a Chinaman, on the Aurora road, Thursday last. Within 7 miles of Bodie, noticing that the bars were down, they crossed the road, and came to bars that were up. Passing through they replaced them, and had proceeded but a short distance when they were hailed by a Chinaman who said something about bars being down. Taking no notice of him he opened fire, giving them two shots before they passed over the ridge and out of range. Had Gurney and Laraway been armed they would have ridden the shootest down and made short work of him.

OUR "FIRE."—As one of our Mono attorneys—not of Bodie or of Bridgeport—testified in Court the other day that \$100 is a fair fee for advising a client to "marry and settle down," and as we have been giving such advice to scores of youths, many of whom have followed it—fortunately or unfortunately—we shall next week utilize our spare evenings in making out our bills for the above fee, expecting that all who are happily mated will promptly respond. Mexican dollars, and county scrip taken at par.

KIND FRIENDS.—Mrs. Henry Donnell, Mrs. T. M. Glover, Mrs. Thomas Kirkwood, Mrs. Judge Leavitt, Mrs. John Lynch, Mrs. District Attorney Parker, Mrs. W. B. A. Temple and Mrs. L. E. Wedertz will accept our thanks for the many toothsome donations sent to the Chronicon-Union office. We assure the ladies that we appreciate these evidences of kindly feelings, and congratulate ourselves that we have located amid the happy homes of the County Seat.

DECORATION DAY.—Decoration Day, Monday next, will be appropriately observed in Bodie. In the afternoon there will be a procession, in which the Miners' Union, Fire Department, and other organizations will participate with the Boys in Blue. The flowers to decorate the graves with have been ordered from Sacramento. In Bridgeport the Court House flag will be displayed at half-mast.

FOR ALPINE.—In obedience to an order from Governor Perkins, Superior Judge M. P. Wiggin yesterday departed for Markleeville, Alpine county, to preside over the Superior Court, in place of Judge Arnot, disqualified. In this connection we assure our Alpine friends that justice will be meted out to them.

HOUSE AND FARM.

VALUE OF VARNISH.—No one knows until she has tried it how much she may change the aspect of things about the house by the use of a little varnish. On a sunshiny day take the old chairs and tables out on the porch or by an open door, and after thoroughly dusting and wiping off with a damp cloth apply a thin coat of varnish, and so cover up scratches and marred spots of all kinds. It will dry in a very short time, and you will be surprised to see how much good you have done. A flannel cloth with a very little linseed oil is good to rub furniture with, but the greatest care must be exercised to prevent any oil being left on the wood to attract dust. It must be rubbed until you would not know, except by the improved appearance, that any oil had been used.

A correspondent of the American Cultivator plants a sunflower seed by each hill of beans, the stock answering the same purpose as the ordinary bean pole, besides providing excellent feed for his poultry. He uses for this purpose a mammoth variety of sunflower seed, many of the flowers of which measure fifteen inches across the seed-bod.

Now is the time to get some couch varnish and renew all your oilcloths. Wash clean, wipe dry, and apply a coat of that varnish. Be careful not to step on them until they are dry. If this is done every spring, the oilcloths will last twice as long as they will without it.
